

The gang-stalking program is widely known as the John Doe program, and is practiced universally by law enforcement personnel worldwide on every level; national, state and local.

Once you are targeted, the goal becomes to destroy your life.

All of the cops in North America are Union affiliated and therefore the Union resources and tactics are heavily utilized.

"Bullying and intimidation tactics -- that's what we've come to expect of Big Labor today."

" ...it began a coordinated attack of disparagement and harassment."

Also, electronic energy weapons have been distributed world-wide to every cop shop from the Feds to NSA to local city forces.

To anyone who discounts the existence of such weaponry:

research the congressional proposal H.R.2977 below; the excerpt I pasted names the specific categories of weapons which were under consideration.

Goals entered into the Library of Congress...
Google them, and read them. The kids who were
raised on that crap are currently in office, or just
leaving it. Just about every goal has been reached,
as well. It's actually quite impressive how well
they have done. Progressives / communists /
globalists / New World Order, whatever you want
to call them, are very organized. JFK got his head
blown off for warning us about them. They
